

Dates for this year's International Horse Trials are  
Friday 21st, Saturday 22nd and Sunday 23rd May 2010

## SPONSORSHIP OPPORTUNITIES

2010 has now arrived and we have a chance to look beyond the depressing state of the economy and to look at opportunities to promote business, reward staff, entertain customers or simply enjoy a day out, at reasonable cost - and representing real value.

The Brigstock International Horse Trials will take place on the weekend of May 21st/22nd/23rd in 2010 and will host some 800 horse and rider combinations competing for eventing honours, combining the skills of dressage, show jumping and the thrills of cross country, over challenging obstacles set in the beautiful park and grounds of Fermyn Woods Hall.

We have enjoyed wonderful support, over the last 4 years, from Sponsors who have, themselves, enjoyed what the event offers. We hope that you will take up one of the opportunities ranging from sponsoring a class, or a fence, to full sponsorship of the event. In each case car passes, entry tickets and superb hospitality are given. We welcome sponsors wishing to give entry passes to employees and their families.

This year we have been granted an additional International Class, so we are busy designing the new course and new jumps, ensuring that there will be something new for visitors and competitors. We enclose details of the various sponsorship 'packages' and hope you will respond positively.

Best wishes

David E Laing

Dates for this year's International Horse Trials are  
Friday 21st, Saturday 22nd and Sunday 23rd May 2010
